

## Bright Beginnings Tuition, Fees, and Age Requirements

### Tuition and Fees

Bright Beginnings is intended to be a year-long commitment. Tuition is calculated on the entire year. You may pay in full for the year or for your convenience it may be broken down into nine monthly installments. Monthly installments are broken down on the list below. If you choose to make monthly payments, tuition is due on or before the first class day of the month starting in September. Credit is not given for a child's absence. This includes childhood illness, family vacations, and holidays. Teachers have been employed on a nine-month contract; thus, our income must have continuity. A supply and registration fee and tuition deposit is due at the time of registration. **This fee is non-refundable.**

### Tuition Deposit

#### Tuition Deposit

In addition to the registration and supply fees, a tuition deposit will be collected at the time of registration. This will then be applied to May tuition in 2020 (or your last month's tuition if you withdraw early).

**The supply and registration fee and tuition deposit are paid at the time of registration.**

## Age Requirements

One of our goals for each child who enters our program is for them to continue with us each year until elementary school. In order to align with the school district's age requirements we have a minimum age for each class level. This enables us to create a developmentally appropriate environment at each age level. It also allows each child to transition from one class to the next each year without having to repeat an age group before they leave for kindergarten. We understand that there are occasions when it is more appropriate for a child to be placed with a different age group than what their birth date dictates. We will treat each of those circumstances on a case by case basis.

Age	Birthday (on or before)
One Year Olds	April 1, 2018
Two Year Olds	Sept. 1, 2017
Three Year Olds	Sept. 1, 2016
Pre-K	Sept. 1, 2015
Bridge	Sept. 1, 2014

\*Age Group is determined by age as of September 1<sup>st</sup> of the enrolling school year\*

\*Minimum age to enroll is 1 year old as of April 1<sup>st</sup> of the current calendar year\*
