

# January Newsletter

Bright Beginnings Early Learning Program 281-482-7535 ex. 501  
Jennifer White—Director Dee Ann Emberton—Asst. Director

## Welcome Back!

We hope you all had a wonderful and restful holiday season. We are so happy to have your children return to school on January 8th! It is always so exciting to see how much the children grow and mature during the second semester. We know it will be a great 2nd half of the year!

It's already time to start thinking about enrollment for next year. On **Monday, January 28th**, packets will be available to pick up in the gym. We encourage EVERYONE to come that day to get your packet. To guarantee your spot for the 2019-2020 school year, you must have them returned no later than **Thursday, Jan. 31st**. On Monday, January 28th we'll have tables and snacks set up in the gym to allow you time to complete the paperwork before you go. Since there is a quick turn-around and some classes fill quickly, we highly encourage you to take advantage of this time! ***Watch your child's folder for more registration details!***

If you are a current Pre-K parent and are interested in enrolling your child in our Bridge program next year, we will have an information meeting on Thursday, January 24th at 1:00.

## Tuition Due

1 Year Olds (M/W)—\$185  
1 Year Olds (T/Th) - \$200  
2 Day (M/W)—\$175  
2 Day (T/TH) - \$190

## Packet Return

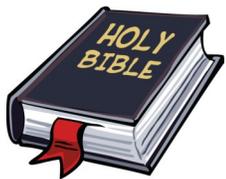

Thurs., Jan. 31st

## Registration for Church Members

Friday, Feb. 8th

## Registration for the Public

Friday, Feb. 15th

***"You are everything I need."***  
***Psalm 119:57***

This month will be a time to focus on the miracles Jesus performed. We will learn of Jesus helping the lame walk, the deaf to hear, and the blind to see. We will also experience a boat in a storm, and learn how Jesus calmed the water. As we learn about these miracles, we will also gain knowledge about the teachings of Jesus and how these teachings upset some of the leaders of that time. We will grow deeper in our understanding of Jesus during this exciting month of miracles.

January music will be full of singing about snow and bears. We'll also learn about the lines and spaces that make up the music staff. We're all looking forward to getting back to music class!

This month we will be talking about the weather and learning about different types of bears. Our youngest kids will even give their very own bear a "check up" to make sure they are healthy! Our older students will experiment with magnets. Bridge and Pre-k will get to learn all about "Dry Ice" and maybe even see how it works! Remember to bring something you wear or use outside when it's cold for Show and Tell. See your child's teacher for your exact day.
