

Bright Beginnings Helpful Hints

Separation Anxiety

We know the first few weeks are going to be hard for both you and your children. We will do everything we can to make this transition as smooth as possible.

When you drop off your child, give them a quick hug and kiss, reassure them that you are returning, and go enjoy your day!

We will love them and take very good care of them! They will have fun! We promise!

What do I need to bring to school?

Sippy Cup or Water Bottle

Please make sure the drinking mechanism is covered or can be closed.

What do I need to bring to school?

**1 complete set of clothes in
a Ziploc bag**

(top, bottom, socks, underwear)

Label the bag with your child's name.

What do I need to bring to school?

Lunch Box and Backpack

Please pack healthy items students can open and eat independently.

(We cannot heat things or keep items cold).

We don't recommend the toddler-size backpacks as they often don't have enough room to hold their belongings.

What do I need to bring to school?

Mask

Masks are required for all adults and children over two for arrival and dismissal.

Children who are 2, but not yet 3, are encouraged to wear masks, but this is at the parent's discretion.

What should I NOT bring to school?

**Personal Electronic
Devices**

Smart Watches

**Anything of Significant
Value**

Remember...

Label all your child's belongings with

FIRST NAME and LAST INITIAL.

Your child's teacher will let you know if they have any additional items that you'll need as well.

Important Note about Shoes!

Good

Close toed, rubber soled shoes with socks are BEST for school!

Boots, open toed sandals, and Crocs can be very dangerous for the children to manage on the playground. “Jellies” are also not ideal as we have found they frequently rub blisters after a little bit of running.

If children are wearing shoes that we deem to be unsafe, they may only be allowed to play on the ground level surfaces.

WE HIGHLY RECOMMEND TENNIS SHOES FOR SCHOOL!

Bad

Birthdays

Unfortunately, we are unable to accept any outside birthday treats.

Don't worry, we will not let your child's birthday be ignored! Every class will plan a special way to celebrate our birthday boys and girls!

Playground Access

To help maintain physical distancing on campus, we are discouraging access to the playgrounds or other congregating spots before or after school.

We realize that many of you have enjoyed this time of fellowship with other parents and children. We're sad to restrict this, but unfortunately it is necessary at this time.

We respectfully ask that you arrive at your scheduled time and then leave the church campus once you have picked up your children for the day.

We greatly appreciate your cooperation and understanding.

Alternative Pick Up Text Notification # 281-607-7180

- You must text the office if someone different than normal is picking up your child.
- We will not release your child to someone, if we were not aware they were picking up. IDs will be checked.

Sign In and Out

To minimize contact and expedite the arrival and dismissal procedures, Sign In and Out will be handled by Bright Beginnings Staff Members.

There is nothing you need to do!
