

Bright Beginnings Helpful Hints

Separation Anxiety

We know the first few weeks are going to be hard for both you and your children. We will do everything we can to make this transition as smooth as possible.

When you drop off your child, give them a quick hug and kiss, reassure them that you are returning, and go enjoy your day!

We will love them and take very good care of them! They will have fun! We promise!

What do I need to bring to school?

Sippy Cup or Water Bottle

Please make sure the drinking mechanism is covered or can be closed.

What do I need to bring to school?

**1 complete set of clothes in
a Ziploc bag**

(top, bottom, socks, underwear)

Label the bag with your child's name.

What do I need to bring to school?

Lunch Box and Backpack

Please pack healthy items students can open and eat independently.

(We cannot heat things or keep items cold).

We don't recommend the toddler-size backpacks as they often don't have enough room to hold their belongings.

What should I NOT bring to school?

**Personal Electronic
Devices**

Smart Watches

**Anything of Significant
Value**

Remember...

Label all your child's belongings with

FIRST NAME and LAST INITIAL.

Your child's teacher will let you know if they have any additional items that you'll need as well.

Important Note about Shoes!

Good

Close toed, rubber soled shoes with socks are BEST for school!

Boots, open toed sandals, and Crocs can be very dangerous for the children to manage on the playground. “Jellies” are also not ideal as we have found they frequently rub blisters after a little bit of running.

If children are wearing shoes that we deem to be unsafe, they may only be allowed to play on the ground level surfaces.

WE HIGHLY RECOMMEND TENNIS SHOES FOR SCHOOL!
