Bright Beginnings Early Learning Program is dedicated to providing a safe, nurturing, and spiritual Christian environment that responds to the individual needs of children and families. Using a developmentally appropriate curriculum, we enhance children's social, emotional, physical, and cognitive development. With a focus on literacy and math skills, each of our classes helps to prepare children for future school success. We strive for our children to be creative thinkers who are ready for any new challenge. We offer a low teacher to student ratio and a highly trained staff who are ready to help your child learn and grow.
